The Gem
ALL METAL
Tool Case

Think of an **all-metal case**—⅓ more room for tools, less space on the bench. And there's a proud, classy look about it setting up there that always makes you glad you bought it every time you look at it.

Cannot pull apart—never "season-cracks." Felt lined throughout. Special introductory prices: 16″ case, $5.00, 18″ case, $5.50.
